#### Use Sorghum In Ice Cream

"We are asked just now to save the sugar and the necessity for this is being forced upon us by its scarcity," says Miss Louise Stanley of the University of Missouri. "Has it ever occurred to you to use sorghum instead of sugar in ice cream and other frozen desserts? In this case it serves as both sweetening and flavor. A little vanilla or nuts added keeps the sorghum flavor from becoming monotonous."

Following are some recipes given by Miss Stanley, who is head of the University's home economics department:

#### Sorghum Ice Cream

1 cup sorghum 4tbsp. flour  
1 qt. cream 1 cup nuts  
1 tsp. vanilla chopped fine or 1/2 tsp. ginger

Cook the flour with a portion of the cream to boiling, add the remainder of the cream, the

## HEALTHY SKIN

Depends on Kidneys.

The skin and the intestines, which work together with the kidneys to throw out the poisons of the body, do a part of the work, but a clean body and a healthy one depends on the kidneys. If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to the uric acid or toxic poisons in the blood. This is the time to go to the nearest drug store and simply obtain a 50c. package of Anuric, the discovery of Dr. Pierce of Buffalo, N. Y. Then drink a cup of hot water before meals, with an Anuric Tablet, and notice the gratifying results. Anuric will help you, because it flushes the kidneys of impurities. You will find it many times more active than lithia. Dissolves uric acid as water does sugar.

"The Golden Medical Discovery cured me of a cough that bothered me for some time; it also cured me of stomach trouble. I shall always praise the name of Dr. Pierce's medicines."—Mrs. JENNIE MORGAN, 1730 Bell St.

#### Back Again

Our old friend, the traveler from Germany, has shown up again after a long absence and is resting at Berne, where he has just given out an interview. He has been all thru Germany, talking with high and low, peering into the flour barrel and counting the potatoes and he is able to say that the jig is about up.

Welcome, old man. Let us take you by the hand. Have a cigar. Golly, but we're glad to see you. You've been gone a long time this trip. We've been keeping your room ready with a wood fire going and your slippers placed, but we had begun to think that you had succumbed to no fats. No fats has played the dickens with the Germans, we know. All except the army, that is. You told us that on your first trip out. That was in the first year of the war,

ser's roof as usual, we suppose? Uh huh. People denouncing the government and the police turning their backs and pretending not to hear, yes? Good! Now tell us about no fats again. We like that. We like it better every year. There were no fats in 1914 and they have been decreasing ever since. Pretty soon the effect will begin to show, likely. If you are in Germany when it begins to show, we hope you will come out and tell us about it. We have got so we miss it if we don't hear about it regularly.—Paris Mercury.

#### Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarhal Deafness that can't be cured by Hall's Catarrh Cure. Clean, safe. All Druggists, 75c.

Mrs. Smith Recommends Chamberlain's Tablets

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewerton, N. Y. "When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well.
